Serial Nos. One

Part B for Feb-1951

SUBJECT

Sri S. G. Narasimhaiya, Asst. Secretary on a tenure basis is confirmed in the tenure post of Asst. Secretary, Labour Deptt. with effect from 6th January 1949

Notification No. 16635/CRS/349-50-1 dt 12 Feb 1951

To the Compiler,
Mysore Gazette.

Notifying his ——————.

1) In Notification No.5248/C.B.288-48-1 dated 4-1-1949 I was promoted as Assistant Secretary and placed incharge of the newly constituted Labour Branch. Representations were made at that time by some of the Superintendents that they were seniors to me and that my promotion would amount to their supersession. Since my selection for promotion had been made only on grounds of merit, this appointment was ordered to be treated as being only on a tenure basis so that the others might not have a grievance. Subsequently, after an examination of the relative claims of all concerned, orders were passed, in O.M.No.O.10715/O.E.39-48-6 dated 29-6-1949, fixing my rank as Superintendent below Sri P.S.K.Naidu's. Thus I could normally look for the first available chance of promotion and confirmation as Assistant Secretary even if the present tenure appointment had not fallen to my lot.

2) Since taking charge of the Labour Secretariat I have had to organize its business and, under orders from the Honourable Minister for Law and Labour, chalk out a plan of work for the newly enlarged Department and devise methods of watching its adherence and speeding up its progress. A note furnished to the Department, with the approval of the Honourable Minister, contained a large number of items of future activity, and most of these are already being implemented. It is understood that the articles on current Labour problems which I have contributed to successive Issues of the Mysore Labour Gazette have been widely appreciated both in and outside the State and that some of these have been reproduced in publications of the Government of India. A comprehensive note submitted by me, early in August 1949, helped to intiate well before time, all the preliminary work connected with the recent Labour Ministers' Conference and I.L.O.Session. In spite of the many-sided activities of the Department, the very rapid growth of work in the Branch, and the large number of Labour Acts and Rules administered by the Department, I have endeavoured to keep the work of the Branch up-to-date and have not given room for delays being noticed or omissions having to be rectified.

3) In connection with last year's Sessions of the Representative Assembly and the Constituent Assembly I was appointed as Special Duty Officer, and in O.M.No. 1422-24/C.B.581-48-1 dated 16-8-1949 Government were pleased to place on record their appreciation of the prompt and creditable manner in which my duties were performed.

4) In the Labour Department itself, there is much headway to be made yet. The Department is still in its infancy. It has to conform to the plans and programmes of the Central Government. Meanwhile, work relating to the Economic Conference and Employment Exchange including the Resettlement Directorate has been added on to the Labour Branch. All this necessarily entails heavier strain on this young Branch. As in the past, so in the future, it will be my one ambition cheerfully to bear the strain, loyally to discharge my duties, and zealously to maintain a record for promptness and efficiency. But in the achievement of this ambition I pray for only one inducement, viz. that I may be helped to feel secure in the place I hold. And, if I have satisfied those above me that I have done well during these twelve months and more, I venture to request that I may be confirmed at least with effect from 1st January 1950 in view of the fact that I have only three more years of service. While this would not mean any direct or immediate addition to the financial burdens of the State, it would nevertheless help me earn a slightly higher pension (for all my service of over 35 years) than I can in case the risks of a mere tenure appointment were to operate against me at any time in future.

It is stated that there is no provision in the M. S. R. regarding confirmation in a temporary appointment. However, the emoluments drawn in temporary appointments are being taken for purposes of pension under orders of Govt.

4) Sri S. G. Narasimhaiya will attain the age of superannuation on 21-3-1953 and he has therefore about 2½ years of service before him. It is now stated that emoluments drawn in tenure appointments are being taken for purposes of pension under individual orders of Govt. Since this officer has only a few years of service before him this pension is likely to be affected unless specific orders are passed to the effect that his present emoluments in the tenure appointment count for pension.

77) The appointment of Asst Secy to Govt, Labour Deptt has been sanctioned on a temporary basis and Sri S. G. Narasimhayya has been holding that appointment also on a temporary basis from 6.1.49. The emoluments drawn in temporary appointments are being counted, however, for purposes of pension in individual cases under special orders of Govt.

the emoluments drawn in a tenure appointment would count for pension if the post is a permanent one and if the officer is appointed substantively to that post. Action is being taken in the Fin Depn to provide a similar rule in the F.S.R. which is under revision but this may not come about for some time. Meanwhile, if the representation of Sri S.G. Narasimhaiya is viewed favourably this confirmation in the tenure appointment which he is now holding will have to be sanctioned under the special orders of Govt.

7) There is no objection from an audit point of view to confirm an officer against a tenure appointment since no other officer except the holder of it, will have a lien on it. and such confirmation will not affect the first claims of any seniors. There are precedents for ordering confirmations in a tenure ~~post~~ post Eg: the cases of Dr Charles Pitchaimuthu and Sri D.S. Gordon. The representation of Sri S.G. Narasimhaiya is strongly supported by the L.S.G. Secy and his record of work entitles him to a special consideration. It may, therefore, be recommended that Sri Narasimhaiya

Subject: Proposal to confirm Sri S. G. Narasimhaiya, and Sri P. S. K. Naidu, Asst. Secretaries to Govt. in their temporary appointments held by them.

Sri S. G. Narasimhaiya was appointed as Asst. Secy to Govt., Labour Br (on a temporary basis) with effect from 6.1.1949 and is continuing in that post from that date.

Sri P. S. K. Naidu was appointed as Asst. Secy to Govt., Dewan's office (on a temporary basis) with effect from 1.1.1949. The officer has since been retired from service.

Sri S. G. Narasimhaiyer and Sri P. S. K. Naidu have represented that they may be confirmed against their temporary posts held by them under the existing rules of M. S. R. These officers cannot be confirmed against their temporary appointments. If they are not confirmed in their appointments, the emoluments drawn by them as Asst. Secretaries to Govt. will not count towards their pensions.

The A. G. who was consulted re: the confirmation of an officer against

a temporary appointment has stated as follows:—.

"I wish to state that there is no provision in the M. S. R. regarding confirmation in a temporary appointment. Emoluments drawn in temporary appointment are being taken for purposes of pension under individual orders of Govt. But, according to paras 14 (a) and (c) of the Fundamental Rules (3rd Edition 1949 print) there is no objection to the confirmation of an officer in a temporary post. The emoluments drawn in a temporary appointment can count for pension provided the officer is appointed substantively to that post.

It is desirable to incorporate a similar provision in M. S. R. also."

The Finl Sec is taking action separately to incorporate a provision in the M. S. R. for confirmation of officers in a temporary appointment.

There is no objection from an audit point of view to confirm an officer against a temporary appointment since no other officer except the holder of it, will have a lien on it and such confirmation will not affect the just claims

of any service. There are precedents for ordering confirmations in a temporary post.

It is, therefore, proposed to confirm Sri S. G. Narasimhaiya and Sri P. S. K. Naidu against the temporary appointments from the dates they took charge of such appointments, viz. Sri S. G. Narasimhaiya from 6.1.49 and Sri P. S. K. Naidu from 1.1.1949

The above proposal has been agreed to by the Fin Secy.

The Minister for F & S. who was in-charge of the current duties of the Chief Minister has ordered that the matter may be disposed of by circulation.

The concurrence of the Hon Ministers to the above proposal is requested.

DRAFT COUNCIL NOTE.

SUBJECT: PROPOSAL TO CONFIRM SRI S.C.NARASIMHAIYA AND SRI P.S.K. NAIDU, ASSISTANT SECRETARIES TO GOVERNMENT IN THE TENURE APPOINTMENTS HELD BY THEM.

Sri S.C. Narasimhaiya was appointed as Assistant Secretary to Government, Labour Branch (on a tenure basis) with effect from 6th January 1949 and is continuing in that post from that/ date.

Sri P.S.K. Naidu was appointed as Assistant Secretary to Government, Dewan's Office (on a tenure basis) with effect from 1st January 1949. The officer has since been retired from service.

Sri S.C. Narasimhaiya and Sri P.S.K. Naidu have represented that they may be confirmed against the tenure posts held by them. Under the existing rules of Mysore Service Regulations, these officers cannot be confirmed against the tenure appointments. If they are not confirmed in their appointments, the emoluments drawn by them as Assistant Secretaries to Government will not count towards their pension.

The Accountant-General who was consulted re: the confirmation of an officer against a tenure appointment has stated as follows:-

"I wish to state that there is no provision in the Mysore Service Regulations regarding confirmation in a tenure appointment. Emoluments drawn in tenure appointments are being taken for purposes of pension under individual orders of Government. But, according to paras 14 (a) and (c) of the Fundamental Rules (3rd Edition 1949 Print) there is no objection to the confirmation of an officer in a tenure post. The emoluments drawn in a tenure appointment can count for pension provided the officer is appointed substantially to that post.

It is desirable to incorporate a similar provision in Mysore Service Regulations also."

The Financial Branch is taking action separately to

incorporate

a provision in the Mysore Service Regulations for confirmation of officers in a tenure appointment.

There is no objection from an audit point of view to confirm an officer against a tenure appointment since no other officer except the holder of it, will have a lien on it and such an confirmation will not affect the just claims of any seniors. There are precedents for ordering confirmations in a tenure post.

It is, therefore, proposed to confirm Sri S.G.Narasimhaiya and Sri P.S.K. Naidu against the tenure appointments from the dates they took charge of such appointments viz., Sri S.G. Narasimhaiya from 6th January 1949 and Sri P.S.K. Naidu from 1st January 1949.

The above proposal has been agreed to by the Financial Secretary.

The Minister for Finance & Industries who was in charge of the current duties of the Chief Minister has ordered that the matter may be disposed of by circulation.

The concurrence of the other Ministers to the above proposal is requested.

for Chief Secretary to Government.

DRAFT ORDER.

In continuation of this office letter No.406/B.II dated 16-6-1949 on the above subject, I wish to state that there is no provision in the Mysore Service Regulations regarding confirmation in a tenure appointment. Emoluments drawn in tenure appointments are being taken for purposes of pension under individual orders of Government. But, according to paras 14(a) & (c) of the Fundamental Rules (Third Edition - 1949 print) there is no objection to the confirmation of an Officer in a tenure post. The emoluments drawn in a tenure appointment can count for pension provided the officer is appointed substantively to that post. A copy of the reply received in this connection from the Accountant General, Madras is herewith enclosed.

It is desirable to incorporate a similar provision in M.S.R. also.

Mr.B.Alasingachar held the permanent appointment of a Sanitary Inspector prior to his transfer as Chief Officer, Chickmagalur Town Municipality in February 1930. He worked as a Chief Officer in several Municipalities and drew a pay of Rs.100/- for over thirteen years. 13) The Assistant Secretary at present in charge of the Special Revenue Branch (which deals with Labour Welfare) has very heavy work and is answerable to three or four Secretaries. In view of the number of Legislative Enactments that will have to be worked up in the coming months, in addition to other very heavy work relating to Labour Welfare, it seems desirable that a separate Assistant Secretary is appointed for this Branch. In view of the highly specialised nature of work of a purely technical Branch like this, it is suggested that the appointment to the post of Assistant Secretary may be made on a tenure basis, instead of purely on grounds of seniority, in order that the right type of official is selected.
